It was suggested that a simple amendment to the main claim to insert the words;
"Non-rotatable",
In relation to the slide bars, would overcome the rejection, and allow the case to
proceed to allowance

This is now done in the enclosed amended claims pages.

10 The undersigned will obtain a one month extension of time, to expire April 30 2004
The undersigned has called the Examiner on Friday April 23, at 11 am and left a
message on his voice mail requesting a call back.

It would be appreciated if the Examiner could call the undersigned and discuss the
case.

Your respectfully,

Ejler Sorensen,
